

# How to find Cheltenham

The HESA offices are situated on the Promenade in the centre of Cheltenham and the entrance to the building is behind Neptune's fountain.

There is very limited car parking at the HESA offices and therefore we advise you to park in one of the car parks indicated on the map and then walk. Most of the parking in the centre of the town is short-stay, although there is a long-stay car park in North Place, which is approximately 15 minutes walk from HESA.

Alternatively, if you are travelling via the M5, exiting at Junction 11 will bring you into the town on the A40 from which the Arle Court park and ride is signposted, and which stops in the Promenade very close to the HESA offices.

If you travel by train it is easiest to get a taxi to HESA.
