05	Earlier than the Current reporting year minus 3 years

ADDITIONAL INFORMATION

The term "reporting year" relates to the period 1st August in one year, to 31st July in the following year.

For example, for C15051:

The current reporting year is 2015/16

The current reporting year minus 1 year, is 2014/15

 The current reporting year minus 2 years, is 2013/14

The current reporting year minus 3 years, is 2012/13

The "earlier than the current reporting year minus 3 years" would be any year that is prior to 2012/13.

The reference Y1 is calculated by taking the first two digits from the year of collection.
