

Type	Field	
Long name	Language preference	
Short name	LANGPREF	
Description	This field records the language in which students would prefer to be contacted	
Applicable to	Wales	
Coverage	All Students at providers in Wales within the GraduateOutcomes population where EntryProfile.PERMADDCOUNTRY = XI.	
Notes	<p>The Graduate Outcomes survey can be completed in English or Welsh (either in writing or over the phone)</p> <p>This field records where the student has indicated that they have a preference for the language in which to be contacted.</p> <p>This information will then be used to ensure that Welsh students at providers in Wales are contacted in their preference of either English or Welsh.</p> <p>If the provider does not know this information, 99 'Not available' should be returned.</p>	
Reason required	To ensure students are contacted in their preferred language as part of the Graduate Outcomes survey in accordance with Welsh language legislation and in order to increase response rates for those who prefer to be surveyed in Welsh.
