Take the Graduate Outcomes survey

Dear graduate,

The Graduate Outcomes survey explores what graduates like you are doing 15 months after you completed your course. As the biggest UK annual social survey, your response will build the collective voice of graduates today so take the survey and be part of the picture.

Let's get started >>

As a recent graduate of [PROVIDER], you will have completed a postgraduate course (or a sufficient component) around 15 months ago. This makes you eligible to complete this vital piece of research and we need to hear from you.

[PROVIDER] is interested in finding out about the wide range of stages and different career paths, circumstances and activities of graduates. Your contribution will help current and future students gain an insight into career destinations and development.

Visit our survey results page to view a selection of national level official statistics from the survey of graduates from the class of 2019/20. Taking part in the Graduate Outcomes survey means you are part of this picture of higher education today.

The survey will take about **10 minutes** and you can complete it on any device using the links provided.

Take the Graduate Outcomes survey

The survey is delivered by the Higher Education Statistics Agency Limited ("HESA"), part of Jisc, to understand the outcomes from higher education. The UK higher education funding and regulatory bodies commission the Graduate Outcomes survey and require HESA and higher education providers to work together to deliver it.
