Graduate Outcomes survey now open!

Dear graduate,

The Graduate Outcomes survey exists to improve the experience of future students on the same journey you've just been on.

As a recent graduate of [provider name], we want to hear from you. We'd like to understand more about your career path and experiences after leaving higher education.

We're asking all graduates to share their perspectives, 15 months after finishing their course, to build a national picture that UK universities and colleges use to innovate their services. By completing the survey - **which takes less than 10 minutes** - your voice will have a meaningful impact on students for years to come.

Complete the Graduate Outcomes survey today!

Prospects and The Complete University Guide also use our Graduate Outcomes data to help students make decisions about their future.
