University of
Chester

A department within Student Futures

The Graduate Outcomes Survey (GOS)

What is the GOS?

- ▶ A survey to determine what graduates are doing **15 months** after completing their course.

How will the GOS be conducted?

- ▶ You will be **emailed** a link to complete the GOS online. If you do not complete it online, you will receive a **telephone call** to ask for your response.

Why is the GOS important?

- ▶ Knowing where our graduates are working and studying helps inform the **career planning** of our students and graduates.
- ▶ Remember using **Unistats** when applying to university? It's this anonymised data! Help future applicants, like previous graduates helped you.
- ▶ Help the University maintain or improve our Silver **Teaching Excellence Framework** award.

How you can help us?

- ▶ **Complete** your GOS fully and in a timely manner.
- ▶ Stay part of the University community by keeping your contact details up-to-date on the **Chester Alumni** website at **alumni.chester.ac.uk**.
