(1) All students for whom a first destination record was required and received (see Definitions).

(2) Unknown ages and genders are not separately tabulated but are included in totals.

(3) Includes those with 'not known' employment category and 'not reported' mode of employment.

(4) 'Others' includes students who gave their main activity as seeking employment or training but, because they gave their secondary activity as employment, study or training, are not assumed to be unemployed. It also includes overseas students returning overseas (no other information available).
