## STUDENT AND LEAVER SURVEYS

Your contact details may be passed to survey contractors to carry out the [National Student Survey](#) and surveys of student finances, on behalf of the organisations listed below under Purpose 1. These organisations and their contractors will use your details only for that purpose, and will then delete them.

About six months after you graduate, we will contact you to ask you to fill in the Higher Education Statistics Agency (HESA) 'Destinations of Leavers from HE' questionnaire. We will not give your contact details to HESA. You may also be included in a longitudinal survey of leavers a few years after you graduate. If so, we will pass your contact details to the organisation that has been contracted to carry out that survey. That organisation will use your details only for that purpose, and will then delete them.

If you do not want to take part in these surveys, please let us know.

## THE HESA STUDENT RECORD

We will send some of the information we hold about you to HESA. HESA collects, and is responsible for, the database in which your HESA student record is stored. HESA uses this information in its own right, for example to publish statistics about students in higher education. HESA also processes information held in the database for other organisations. All uses of the HESA Student Record must comply with the Data Protection Act 1998.

HESA is a registered charity and operates on a not-for-profit basis. It may charge other organisations that it provides services and data to, in order to cover its costs.

### Sensitive personal data

If you give us information about your disability status, ethnicity, sexual orientation, gender reassignment, pregnancy/maternity or religion these will be included in the HESA Student Record to assist with monitoring equality of opportunity and eliminating unlawful discrimination in accordance with the Equality Act. These fields will not be used by HESA in any way that could be used to identify you.

The HESA Student Record is used for four broad purposes:

### Purpose 1 - Public functions

#### Education statistics and data

The HESA Student Record is used by some organisations to help carry out public functions connected with education in the UK. These organisations are data controllers in common of the HESA Student Record under the terms of the Data Protection Act. Such organisations include:

HESA and the other data controllers listed under Purpose 1 may also supply data to third parties where there is a legitimate interest in doing so. Examples of use for this purpose include:

- Equal opportunities monitoring
