

Publication dates of the 2014 UK Performance Indicators

UKPITG 13/14

Issue

1. To confirm the dates for the 2014 publication of the UK Performance Indicators.

Discussion

2. It is proposed that the release timetable for the 2014 publication of the UK Performance Indicators follows as closely as possible that for the 2013 publication. In accordance with Official Statistics requirements, the dates for the 2014 publication of the UK Performance Indicators will be made available via the HESA website at least one month in advance of publication.
3. Members of the UKPITG are invited to note that the proposed release of Tranche 2 is dependent on the publication of HESA's statistical first release (SFR) relating to the 2012-13 destinations of leavers from higher education (DLHE) survey going ahead as planned at the end of June 2014.
4. The proposed release dates of the two tranches are:
 - Thursday, 27 March 2014: Release of tranche 1 – the widening participation and non-continuation PIs (tables T1, T2, T3, T4, T5, T7)
 - Thursday 3 July 2014: Release of tranche 2 – the employment and research PIs (tables E1, R1)
5. The UKPITG are asked to highlight any issues arising in relation to the release dates proposed.

Recommendation

6. That the UKPITG highlight agree to recommend the following publication dates to the UK Performance Indicators Steering Group:
 - Thursday, 27 March 2014: Release of tranche 1 – the widening participation and non-continuation PIs (tables T1, T2, T3, T4, T5, T7)
 - Thursday 3 July 2014: Release of tranche 2 – the employment and research PIs (tables E1, R1)
