VALID ENTRIES

0	Contract not counted within 1 December population
1	Contract counted within 1 December population

ADDITIONAL INFORMATION

To enable analysis of contracts that are 'active' on 1 December within the reporting period.

The HESA staff contract population is an indicator of those contracts that are active on 1 December within the reporting period. Atypical staff are not counted in this population.

Other staff with a default (or unknown) contract start date, a default (or unknown) contract end date and a contract full-time equivalent (FTE) of zero are also not counted in this population.

The HESA staff contract population is used in analyses of staff contract attributes by full-person equivalents (FPE).
